Requirements:	1
Setup:.....	1
Login with Touch ID:	2
Disable Touch ID.....	2
Re-Enable / Troubleshoot Touch ID	2

Requirements

- MacBook Pro with Touch Bar and Touch ID.

Setup

1. Enter a valid username and password.
2. Press Play.
3. After successfully logging in, the launcher will prompt to enable Touch ID: press Enable.

4. Touch ID is now enabled for this username and password.

Login with Touch ID

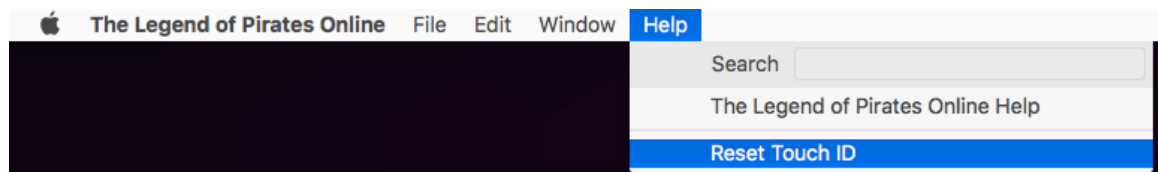

1. Press the Touch ID button on your Touch Bar:

2. Use the finger print scanner located on the far right side of the Touch Bar.
3. Upon successful Touch ID validation, the game will automatically update and launch.

Disable Touch ID

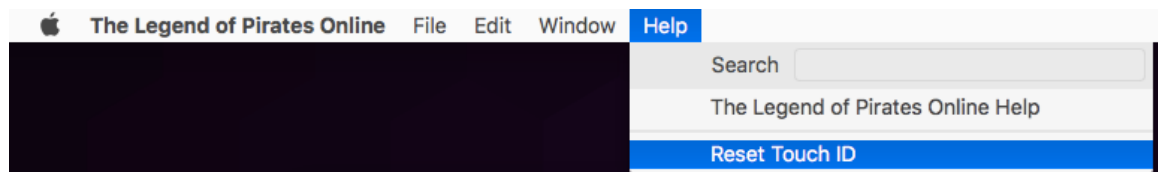

1. From the menu bar > Help > Reset Touch ID.
- 2.

3. After the first successful login you will be prompted to Enable Touch ID, just press cancel and there will be no more prompts for Touch ID. *Note if you wish to re-enable Touch ID at a later time, all you need to do is press the Touch ID button located on the Touch Bar .

Re-Enable / Troubleshoot Touch ID

1. From the menu bar > Help > Reset Touch ID.

2. Follow the sets listed in Setup.
